Your Child's Bookings

It is a requirement of the Ministry of Education that your child's attendance matches their booked hours. If your child is regularly attending for more or less hours than they are booked in for, you will be asked to review their booking and reconfirm the hours that you need.

In addition, if you're going to be early dropping off or late collecting your child, you **MUST** ring the centre to let us know - please do this for every day that your child's hours are different to those you are booked in for.

Thank you for your assistance in this area.

Be more involved in your child's learning

Storypark creates a secure online network of the people that matter most for your child.

It helps working parents, far-away family, educators and specialists ensure children receive the best opportunities possible.

FIRST STEPS

1. Sign up and Log in

Once you accept the email invitation from your child's teacher you'll be taken to a sign-up page where you can enter your name and choose a password. Storypark is an online service, so you can log-in without installing software on your computer.

2. Invite Family

Share your children's stories by inviting family members and close friends. Create a private network of people to share and support your child's learning.

3. Comment and Create

Parents, teachers and family can write stories and comments, add pictures and videos, and select the children who feature. Published stories will show up in your child's profile. Family members you have invited will get an email to say a new story has been added.
